

PRACTICAL HORSEMANSHIP GROUNDWORK CLINIC

27th & 28th October 2018

at Chester Farm all-weather arena, 3 Wires Road, Maratoto Valley, Paeroa.

Do you want to improve general handling, bond, communication & safety with horses?

New to horse/pony ownership and keen for some practical advice and guidance?

Own a young horse or bringing your horse back into work and want to start them off on the right track?

Does your child's pony push/pull you all around and you need some ideas on what to do?

Looking for a new approach to understand how to get the best out of your horse?

Struggling with problems undersaddle or looking to improve your safety, control & performance when you ride?

Then this is the clinic for you....

Come along for this fun, supportive, informative lesson weekend of professional advice, practical tips and fun exercises with Diana Jamieson to help you gain awareness & understanding of essential, simple groundwork principals that will give you confidence, improve your everyday horse handling & safety & offer a useful progression into riding for every discipline.

**** PRACTICAL HORSEMANSHIP GROUNDWORK LESSONS ****

Harness the effectiveness of what we consider to be the "Core Essentials" - foundation horsemanship groundwork exercises that will help you better understand your horse's body language so you are able to produce a calm, responsive, respectful horse that you can then take on to enjoy for everyday pleasure riding or competition.

Most problems with horses (buck/bolt/rear/spin/push/pull/freeze/anxiety/lack of concentration etc) can be recognised and solved by going back to basics and using groundwork exercises, keeping you safe and giving you the ability to work through your horse's mental attitude, physical tension or spot any potential resistance/anxiety problems BEFORE you hop on.

Groundwork is also very valuable for horses who are struggling to co-ordinate their bodies for higher level movements under saddle, and provides fantastic mental and physical training sessions for your horse to learn how to relax, concentrate, soften and engage his brain and body for himself - with your good guidance of course!

(Note: These are Groundwork Only lessons at this particular clinic, no riding will be involved.)

Diana has spent over 20 years working professionally with all types of horses both on the ground and under saddle including young unbroken horses, stallions, foals, problem horses, competition horses, top level International performance horses as well as everyday pleasure hacks and kids ponies. Her passion and interest is in helping people improve their own relationship, understanding and connection with their horse by providing positive, easy to follow, practical and very valuable advice suitable for EVERY horse owner and rider no matter what your age, discipline or level.

Horsemanship is lots of fun and can really make an enormous difference in the performance of both you and your horse!

You will require a rope halter and long rope (preferably 12ft) rope for your horse. Can bring a horsemanship stick if you have one.

Group Horsemanship Lessons (approx 2 - 2.5 hours each depending on numbers): \$75+GST each.

Includes Ground Fee & Day Yard. Overnight Camping & Yarding also available onsite \$10 per person per night. Gorgeous setting!
