

1 DAY SHOWHUNTER CLINIC - Saturday 12th May 2018

at Chester Farm all-weather arena, 3 Wires Road, Maratoto Valley, Paeroa.

Diana & Greg competing in showhunter competitions

** SHOWHUNTER FLATWORK & JUMPING LESSONS **

Showhunter is an increasingly popular equestrian sport, involving jumping a round of approx 8 natural looking jumps and being judged on technique and style. Competition classes for horses range from 60cms to 1.20m, while ponies all compete within their own height category. Due to the lower height range combined with opportunities to compete in National competitions including Horse Of Year, showhunter is a fantastic sport for young riders, young horses, adults returning to competition and anyone who enjoys the challenge of riding a technically correct and smooth jumping round.

This is a 1 day clinic which includes 2 lessons per combination. All ages and levels welcome. Small group lessons of 2 - 5 riders per group. Limited places available. Bring your lunch, ride, watch and enjoy the atmosphere!

Approximate Programme: (may be altered depending on numbers)

Flatwork Lessons run between 9am - 12pm

Jumping Lessons run between 1pm - 4pm

Morning: Flatwork lesson incorporating pole exercises with a focus on understanding your horse's canter, competition ringcraft, riding techniques and position to help you prepare for jumping a great showhunter round.

Afternoon: Jumping lesson using small showhunter type jumps, building on the morning's flatwork lesson and now incorporating jumps to help you establish rhythm, control and understanding of how to ride a well executed showhunter course.

All ages and levels welcome, horses and ponies, children and adults. Ideal training day for anyone wanting to get into Showhunter, or competitors wanting to improve.
